How to create your DIY Donation tin or jar!

1. Print and cut out your labels.
2. Use glue or sticky tape to attach the labels to your donation tin or jar.
3. Place your donation tin or jar in a prominent area with your fundraising posters to collect donations!

Label 1

Help support people impacted by the QLD & NSW floods

Give what's really needed

givit.org.au/storms-and-flooding
