

'BUY LOCAL' APPEAL CALLS FOR DONORS TO SUPPORT BUSHFIRE-AFFECTED COMMUNITIES THIS CHRISTMAS

Almost a year on from the devastating Black Summer Bushfires, national online charity [GIVIT](#) has partnered with [Handmade Canberra](#) for its 2020 Christmas Appeal to gift some much needed cheer to bushfire-affected families still recovering and in need this festive season.

Through the contactless '[A Very GIVIT Christmas](#)' directory of more than 1,200 handmade items, generous donors can purchase gifts starting at \$20 from hundreds of Aussie small businesses.

These gifts will then be packaged up and sent, free of charge, to bushfire-affected New South Wales communities, from Batlow to Bega and Cooma to Cobargo.

GIVIT Regional Manager, Caroline Odgers said not even the intense bushfire season coupled with a global pandemic can phase the Christmas spirit of our regional communities.

"Thousands of households who felt the brunt of the bushfires and COVID-19 will be gifted thoughtful, Australian made, sustainable, quality presents," said Ms Odgers.

"It's exciting to think this could be Canberra's biggest ever Secret Santa, with almost 20,000 ACT workers on-board who will be able to gift beautiful presents through the Appeal."

Coordinator of South Coast Donations Logistics Team and Moruya's Guerrilla Roasters, Aymee Wise said the Appeal is supporting locals and businesses severely impacted by last summer's bushfires.

"Not so long ago we couldn't even access our coffee roastery due to the bushfires and road closures. But thanks to the nationwide compassion shown to our little business, we're getting back on our feet and are stoked to be a part of the Christmas Appeal," said Ms Wise.

Aymee also believes coffee is a fantastic gift to give as, "giving the gift of coffee is really about giving the gift of a chat and connection with a loved one – which is the best gift of all".

'[A Very GIVIT Christmas](#)' runs from now until 24 December 2020. To purchase a gift and support bushfire-affected communities, visit handmadecanberra.com.au/givit.

About GIVIT

GIVIT has coordinated more than 150,000 items to support NSW communities still rebuilding, from gas ovens and converted shipping containers for families camping on their properties, hardware equipment, as well as Snake Bite First Aid Kits for those towns hours away from medical assistance.

GIVIT Regional Manager, Caroline Odgers says the charity's key focus is to continue coordinating the generosity of donors to ensure no resident or bushfire-affected community is forgotten.

"From Kiah to Queanbeyan, Broulee to Batlow and the dozens of incredible bushfire-hit communities across New South Wales, generous donations allow GIVIT to provide exactly what's needed by stoic locals doing it tough," said Ms Odgers.
